

# Japan-Korea Workshop on Algebra and Combinatorics<sup>1</sup>

## First Announcement

The 9th Japan-Korea Workshop on Algebra and Combinatorics will take place at Graduate School of Information Sciences, Tohoku University, Aobayama Campus, from 24–25 January 2011. The workshop is held once a year, alternately in Japan and in Korea. It is intended to provide researchers of both countries, especially young researchers including graduate students, with opportunities to exchange rather informal information of ongoing studies in the area. Further information is available from the organizers below.
